#### MIRACULOUS BEGINNINGS

Congratulations on your new home! You've chosen a community that offers an incredible array of fine dining and shopping, top educational facilities, recreational opportunities, and of course, expert medical care right here at Northridge Hospital Medical Center. Please accept our house warming gift—a FREE Picture Frame to display in your new home.

With so much unpacking to do, it may seem overwhelming to choose a hospital and physician for your family. We can help. Here are 3 ways to find the right physician: Call our FREE Find-A-Doctor service at 818-908-8677. Or visit www.Healthgrades.com or www.NorthridgeHospital.org/Welcome and click on our Find-A-Doctor link.

You can choose a doctor by:

- · Proximity to your home
- · Language
- ·Specialty
- · Health plan
- · Gender
- · Or all of the above

You can rest assured knowing that Northridge Hospital's outstanding reputation has attracted 800 of the highest caliber physicians in nearly 60 specialties. In fact, 80 percent of our Medical Staff has the distinction of being Board Certified.

We've compiled resources, links to community organizations and other useful information to help you become acquainted with your new neighborhood.

Check it out at www.NorthridgeHospital.org/Welcome

INCREDIBLE
TECHNOLOGY
(Including Non-Invasive
& Minimally Invasive
Surgery!)

Northridge Hospital takes the lead as the first and only facility in the Valley to offer four cutting-edge pieces of medical technology—minimally invasive da Vinci® Robotic Surgery System for urological and gynecological procedures; non-invasive Gamma Knife for brain tumors; non-invasive Trilogy Stereotactic

Radiation Therapy for cancer treatment; and the non-invasive 64-Slice CT Scanner, which can spot tumors as small as a grain of rice.

Minimally invasive surgery is available in most specialties, including General Surgery, Gynecology, Bariatrics (Weight Loss), Urology, ENT and Spinal Operations.

## **EXCEPTIONAL HEART CARE**

When looking for heart care, consider the center's credentials, services, experience and patient feedback. Heart Specialists at our **CardioVascular Center** offer the most advanced heart care available:

- · Digital Cath Labs
- **Electrophysiology Lab** dedicated lab to immediately diagnose and treat abnormal heart rhythms
- Chest Pain Center accessed through the Emergency Department
- · Groundbreaking Surgical Techniques
- **CHAMP** aftercare program helps patients reduce risk through better management of congestive heart failure

### REMARKABLE TREATMENTS

Technologically advanced treatments and sophisticated cancer-fighting equipment revolutionize the expanded award-winning **Thomas & Dorothy Leavey Cancer Center**. Treating the mind, body and soul, patients receive one-on-one support from a patient Navigator who assists from diagnosis to recovery. The Center also fosters a healing environment through massage, a meditation garden and specialized services:

- · Harold & Carole Pump Department of Radiation Oncology
- Navigator Program
- · Support Groups

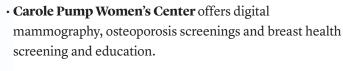

#### **MIRACULOUS RECOVERIES**

Adding quality to life since 1974, the CARF-accredited **Center for Rehabilitation Medicine** helps patients conquer obstacles and reach goals. We treat:

- · Stroke
- · Spinal Cord Injury
- Brain Injury
- BurnsArthritis
- AmputationNeurological Disorders
- · Multiple Trauma
- Orthopedic Problems

# **NOTABLE COMPASSION**

• Orthopedic Services utilizes the latest surgical procedures for better outcomes on joints, knees, hips and spine. We are a designated Blue Distinction Center for Knee and Hip

Replacement by Anthem Blue Cross and Blue Shield of California.
